**ABOUT D-SNP PLAN**

<sup>1</sup>This plan is for people who are eligible for both Medicare and Medicaid. You may enroll in this plan if you have both Medicare and fall into one of these three Medicaid categories: QMB, QMB+ or SLMB+. If not – or, if you lose your Medicaid coverage status – additional costs will apply.

<sup>2</sup>Your monthly premium will be \$0 as long as you are eligible for Medicaid benefits. You must continue to pay your Medicare Part B premium.

<sup>3</sup>Members of our D-SNP plan rarely meet an out-of-pocket maximum due to Medicare and Medicaid coverage. If Dual eligibility changes or is lost, the member will pay no more than \$8,850 annually.

<sup>4</sup>As a D-SNP member, your deductible is paid by your “Extra Help” benefit. If you do not receive “Extra Help” or if your drug is not covered by Texas Medicaid, a deductible may apply and the member pays 25% of the total cost for covered Tier 1-Tier 5 Part D drugs.
