PRESCRIPTION DRUG BENEFITS (PART D)

Deductible Phase	\$0 deductible for Part D drugs
-------------------------	--

Initial Coverage Phase

During this stage, the plan pays its share of the cost of your drugs and **you pay your share of the cost.**

You stay in this Initial Coverage Stage until your **total drug costs** (total of all payments made for your covered Part D drugs) for the year reach **\$5,030**.

Initial Coverage	Retail Cost- sharing (In-Network) (30-day supply)	Retail Cost- sharing (In-Network) (90-day supply)	Mail Order Cost- sharing (90-day supply) through Costco
Tier 1: Preferred Generic	\$0 copay	\$0 copay	\$0 copay
Tier 2: Generic	\$0 copay	\$0 copay	\$0 copay
Tier 3: Preferred Brand	\$47 copay	\$141 copay	\$141 copay
Tier 4: Non-Preferred Drug	\$100 copay	\$300 copay	\$300 copay
Tier 5: Specialty	33% coinsurance	Not offered	Not offered
Tier 6: Select Care	\$0 copay	\$0 copay	\$0 copay

Cost-Sharing may change when you enter a new phase of the Part D benefit.

You won't pay more than \$35.00 per month supply of each covered insulin product, regardless of the cost-sharing tier.

Select Care Drugs (Tier 6) have no copayment for this tier and are limited to select generic medications commonly prescribed to treat ongoing health conditions like high blood pressure, cholesterol, and diabetes.

Important Message About What You Pay for Vaccines – Our Plan covers most Part D vaccines at no cost to you. Call Customer Service for more information.

PRESCRIPTION DRUG BENEFITS (PART D) (continued)

Coverage Gap -

During this stage, you pay 25% of the price for brand name drugs (plus a portion of the dispensing fee) and 25% of the price for generic drugs.

You stay in this stage until your year-to-date “**out-of-pocket costs**” (total of all payments made for your covered Part D drugs) reach a total of **\$8,000**. This amount and rules for counting costs toward this amount have been set by Medicare.

Select Care Drugs (Tier 6) are available at **\$0** copayment during the Coverage Gap stage.

Not everyone will enter the Coverage Gap.

Catastrophic Coverage -

You qualify for the Catastrophic Coverage Stage when your out-of-pocket drug costs have reached the **\$8,000** limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year.

During this stage, the plan pays the full cost for your covered Part D drugs. You pay nothing.

Mail Order Pharmacy

Receive up to a 90-day supply of your drug through Costco. You do not need to be a Costco member to use their mail order pharmacy service.

Say Hello to Simple!

New for 2024

The Memorial Hermann *Advantage* Mastercard Flexible spending program (we like to call it the **Flex Card** for short).

What It Is

The Memorial Hermann *Advantage* Flex Card is a debit card that can be used like a credit card to purchase **Vision and Hearing** items (such as glasses and hearing aids) and **Over-the-Counter (OTC)** items. Also, in situations where a member is in our Dual Special Needs (D-SNP) plan or has successfully completed a Case Management program, an allowance is added for **Groceries**.

How It Works

After you enroll, you will receive your card in the mail ready to go – it will automatically begin working on your enrollment effective date. After that, simply use your Flex Card like a credit card at the time of purchase. If you exceed your allowance, you will need to cover the remaining amount with another form of payment. For example:

Your vision and hearing allowance is already loaded onto the card (note: the dollar amount of your vision/hearing allowance is based on the plan you select). You can use these dollars in any combination you want when purchasing items such as glasses, contacts, and hearing aids. Simply present the card and dollars will be deducted accordingly.

Each quarter (every three months) an allowance for OTC items will be automatically loaded to your card (again, the dollar amount is based on the plan you select). You can purchase OTC items at retail outlets such as Kroger, Walmart, CVS, and Walgreens; or, you can use our mail-order catalog from Medline and pay with your flex card.

If you are a member of our Dual Special Needs (D-SNP) plan, which is designed for folks who are eligible for both Medicare and Medicaid, you will also receive a quarterly allowance for groceries. For members on our other plans, you can receive a one-time grocery allowance of \$500 for successfully completing a Case Management program, which is designed for members facing challenges such as a new medical diagnosis, medical procedure, or in-patient hospitalization.

You can check your card balance at any time by visiting your Flex Card portal – the site address will be located on the back of your card.

It's that simple – and helpful!

Your Medicare Made Personal.
